## BLANK COUNTY ZOO CARES

Our charitable organization focuses on the return of injured animals to their natural habitat.

At Blanket County Zoo we care for and nurture injured animals and return them to the wild after a full rehabilitation program. Its one of the many ways we choose to give back to the community ... and of course the world! Your donations to our charity go a long way in preserving wild life conditions for these animals. Purchase a zoo membership and we will donate 00% of it to the cause!
